

Only you

Elvis Presley

F# **A#7**
Only you can do make all this world seem right

D#m **F#7**
Only you can do make the darkness bright

B **D** **F#** **A#** **D#m**
D#
Only you and you alone can thrill me like you do

G# **D**
And to fill my heart with love for only you

Only you can do make all this change in me
For it's true, you are my destiny
When you hold my hand I understand the magic that you do
You're my dream come true, my one and only you

Only you can do make all this change in me
For it's true, you are my destiny
When you hold my hand I understand the magic that you do
You're my dream come true, my one and only you
